

Hands-on Workshop on Molecular Biology
15th to 17th April, 2016

Organized by:
DBT Project, Pathology Department, Agartala Govt. Medical College
Sponsored By:
Department of Biotechnology, Govt. of India, New Delhi

ANNOUNCEMENT

Three days "Hands-on Workshop on Molecular Biology" is being organized in DBT Project Lab, Pathology Department, Agartala Govt. Medical College, Agartala on 15th - 17th April, 2016 to train 10 (ten) basic science post graduate participants. This workshop will provide to the researcher the opportunities to learn and expose to modern techniques used in disease related molecular biology.

Patron/Guest of Honour:

Prof. A. K. Mukherjee
Head & Coordinator, Dept. of MBBT & DBT-Nodal Cell, Tezpur University
Affiliate Asso. Faculty, School of Biological Sciences, University of Northern Colorado U.S.A.

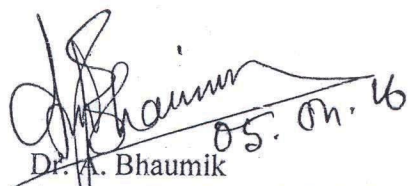

Resource Person:

Prof. S. K. Ghosh
HOD, Department of Biotechnology, Assam University

Registration fee: NIL

Workshop materials, tea & snacks and lunch will be provided at venue

Completed application form (scan copy) duly forwarded by the P.I./Supervisor/Head of Dept. should be sent by email to arupbhowmik09@gmail.com. Selected candidates shall be informed by email/phone.

REGISTRATION FORM

- 1) Full Name in BLOCK letters:
- 2) Father's name:
- 3) Designation and Affiliation:
- 4) Department/College/Institute:
- 5) Educational Qualificaton:
- 6) Postal Address:
- 8) Mobile no. :
- 9) Research Experience in month/year:
- 10) A brief write up on how the participation in the workshop is going to benefit your Research:

The above mentioned information is true to the best of my knowledge and belief.
